

# THE LAST LEVELS

COURSE ID BOOKLET

SUPER SERIES

We here at Ultra Dolphin Revolution are huge fans of the iconic gaming plumber! We're also huge fans of the original "Super Mario Maker" and are sad to see the service ending. As our final send off, our team of play testers have created over 32 courses and dubbed them "The Last Levels". Each course ranges from various difficulty and styles. We want to give Super Mario Maker a final farewell. UDR style, for all the courses, memories, and inspiration it has given to its players and fans!

Please enjoy our courses! Wahoo!
